THE
1934
RAVELINGS

The 1934 "RAVELINGS" is an illustrated history, not so much for the immediate benefit of those whose pictures appear in its pages, but to provide a more lively record of those characters and events to which Monmouth students and their friends may turn in years to come.

There may be nothing novel in the scenes depicted here, yet to each "Old Grad" they will have a significance sweetened by memories of college days at Monmouth which, we trust will give an increasing value to the service for which this book is compiled.

Thirty Years

June 1, 1903 is a red letter day in the history of Monmouth College. That day marks a turning point in the history of the institution. At that time there came to Monmouth a man in the very prime of life under whose influence Monmouth College has taken her high place in the hearts of thousands of students, in the hearts of other thousands of friends of Christian education, as well as in the educational world. At that time Monmouth had about 150 students in the college department and the faculty of all departments numbered 18. The college boasted four buildings. Old Main, built in 1863, the Auditorium, built in 1897, a "new" gymnasium, built in 1902, (now the Little Theatre) and the Terrace, the president's home.

This silver haired young man knew the problems and difficulties of a college from three viewpoints, but he had dreams for Monmouth and for service that could not be dimmed by mere problems, burned out by fire, bankrupted by hard times, nor tempted by flattering offers. He knew the viewpoint of the student and an alumnus. He had lived for many years in daily contact with the problems that the president must face, for his father had been president for nineteen years. He knew what the church expected of its colleges, for he had been a successful minister. Through the years he has never lost any of these perspectives.

This year, on the thirtieth anniversary of the assumption of the presidency by Thomas Hanna McMichael, all Monmouth folk and all Monmouth friends join in expressing their love for him and their gratitude for what his dreams, his leadership, and his determination have accomplished.

THOMAS HANNA McMICHAEL

President

A. B., Monmouth College, 1886; A. M., *ibid.*, 1889; Xenia Theological Seminary, 1890; D. D., Westminster College, 1903; LL. D., College of Wooster, 1928; LL. D., Westminster College, 1929.

This opportunity to speak to Monmouth student through the "Ravclings" is one which I value highly. We often speak of "care-free college years," but such expressions do not well apply to these times of confusion, anxiety, and self-denial. I wish to pay a tribute to the many Monmouth students who in the hard year, 1932-1933, have refused to submit to circumstances, and with smiling faces and brave hearts have held steadfastly to their college course. We look forward confidently to a time when those whose names and pictures appear in these pages will look back to their college days from positions of honor, usefulness, and happiness.

J. S. CLELAND,
Dean of the College.

We are a body of friends, here at Monmouth College; and the closing of this college year, which marks for me the completion of the cycle of one whole student generation, finds me more than ever conscious of the mutual helpfulness and confidence which characterize the spirit of the institution. May each one of us make his best contribution to it and may no member ever miss the joy of full participation.

MARY ROSS POTTER,
Dean of Women.

Last year I said we would always remember 1932-- a year of Depression, Sacrifice and Achievement. May we now look forward to another year of Achievement, but with a minimum of Depression and Sacrifice.

Senior Class History

We will admit without argument that we are, and always have been, a great class. Our stalwarts have upheld the athletic reputation of the college; in the dramatic field, we have had our Arliss and our Garbo; our musicians have rivalled Pan in sweetness; embryonic Shakespeares have leavened our literary mass; and in the fields of forensics and scholarship, our superminds have blazed a white path of glory. I repeat, we are a great class.

And yet, despite our admitted excellence in all things collegiately academic, we cannot truthfully say, with Cæsar, "We came, we saw, we conquered." Our history may be better epitomized by the Persian philosopher's history of mankind: "They were born, they suffered, they died." Even so we entered these collegiate halls, struggled manfully, and in a few weeks are to pass from them. Yet, because we spent four years here, Monmouth College has been enriched. But, more important, we will carry out into the world a great deal of Monmouth.

Junior Class Officers

Oh—what memorial events this class of 1934 has witnessed on the campus of Monmouth College!

When we as freshmen, 188 strong and full of the biggest dreams and aspirations, came to college, it was the year in which the depression was just beginning to be felt and acknowledged. But we forgot our worldly troubles and enjoyed dancing. For it was the dancing that distinguished that year from the others; never before had the campus participated in it. Though failing to reach the top of the pole we determined not to be again downed and set to work to make ourselves known in all phases of college life.

On September 16, 1931, realizing the sophisticated level that we had attained, more or less depleted in number, we felt that a depression was not to be forgotten in dancing, but that it was a serious thing. But "we won't be downed." Wholeheartedly we captured honors in athletics, forensics, dramatics, and scholarship.

On September 18, 1933, the big and powerful class was reduced to 77 members. But it witnessed the coming back of beer—it roused our sinking spirits—and bigger and better than before we have sailed through our third year of college.

Thus sorrowfully, we see our college days slipping by with only one more year in which to fulfill those dreams and aspirations that sprang up in us as we gazed upon the beloved buildings of Monmouth College in 1930. What memorial event will occur next year? Oh—may the depression have flown from this country!

No matter, "we will not be downed!"

Sophomore Class History

If a motto could be drawn from the first two years at Monmouth of the class of 1935, it would be, "Never Do Things Halfway." It doesn't.

Almost every class that arrives on the campus can soon lay claim to the distinction of losing one pole scrap. The class of '35, being no pikers, succeeded in dropping two.

Quickly and thoroughly surmounting any little difficulties that may have arisen from these trivialities, however, the class has moved onward and upward. The star of the class is now in the ascendancy. Throughout the campus, its members are known as leaders and workers, who "never do things half way."

VICE PRESIDENT	EDWARD BARRON
SECRETARY-TREASURER	DOROTHY SOTZING

Freshmen Class History

The Freshman class this year has fittingly upheld the name of "Fighting Scots." The members have continued to fight for their college in the realm of sports, dramatics, and scholastic ability. Though the Freshmen have not always won in their adventures, they have fought well, and have maintained an invincible spirit. They covered themselves with glory in the first few weeks of school by crushing the Sophomores; the first time in five years that the Freshmen have succeeded in placing their colors on top of the pole.

In athletics we have fared reasonably well. Although not turning out any exceptional teams, many promising and valuable men have been uncovered, which will supply plenty of material for Monmouth's varsity in all lines of sports.

It was the same unconquerable spirit which predominated in debate, and Crimson Masque.

Perhaps the year is too recent for them to realize all it has given them, but because of this year's experience, and influence they will come back next year stronger, and better able to meet the difficulties, joys, and honors which are inevitable.

Icthus Club

Organized to bind more closely together those students intending to enter some form of Christian service as a life work, the Icthus Club has made possible a deeper spiritual life among many of the students. Regular monthly social and devotional meetings have enabled the members to come together in a common spirit of Christian fellowship. This year a new distinction in membership was made. Students who were not willing to accept the commitment but felt a deep interest in the purposes of the organization, were admitted as associate members.

Kappa Phi Sigma

Kappa Phi Sigma, better known on the campus as "Philo", is a national forensic organization which features oratory, debate, and other similar activities in its regular meetings. Each year the Philo Peanut Night Banquet is an interesting feature of the club's social life. Members of the Monmouth chapter of Kappa Phi Sigma have carried off the honors in many national conclaves of this fraternity. The twelfth annual conclave is to be held at Monmouth next year.

Y. W. C. A. Cabinet

The two most important activities of the Cabinet this year were the carnival, held in the fall; and the Christmas Bazaar. Together with the Y. M. C. A. they sponsored the freshman activities in the fall. Also, it brings eminent speakers to our campus each year. The purpose taken for this year was "We unite in a pledge to realize full and creative life through a growing knowledge of God. We determine to have a part in making this life possible for all people. In this we seek to understand Jesus and to follow Him."

Cosmopolitan Club

The Cosmopolitan Club is the newest organization on the campus of Monmouth. The two-fold purpose of the club is to arouse among the members interest in world affairs—international relations, race problems, cultural understanding, etc.—and to furnish fellowship for the members. With this purpose in mind the club has held bi-weekly meetings, alternating programs and socials.

Tau Pi

Tau Pi was formed two years ago to uphold the true standards of womanhood on the campus, and to be a public recognition for those women who have attained these standards during their first three years of college. The members are chosen on a three point basis of scholarship, service, and leadership. Unlike the Octopus Club, its members, chosen from the Junior Class, will be publicly known, and function openly.

The Octopus was founded in the spring of 1927 by a group of eleven Senior men who saw the need of an organization to bind together in harmony the various organizations on the campus, to thus carry on, as a unit, the traditions and ambitions of Monmouth College.

The organization is peculiarly unique in its selection of members. Each spring the unknown Senior men, who comprise the undergraduate roll, select the eight Juniors, who seemingly have been the most outstanding men of their class in scholarship, character, and campus activities. The identity of neither group is then revealed. The Senior group is disclosed at the time the Ravelings is published.

The public announcement gives the eight Senior men the right to wear the emblem of the organization, which is a gold key with an octopus and other secret insignia inscribed thereon.

During the five years it has existed there have been fifty-nine men initiated into the organization; the original group having consisted of eleven men.

The alumni group is well organized and meets twice each year. The business meeting is held at Homecoming time and a social event on the evening of Commencement Day.

The officers of the alumni organization are:

National Collegiate Players

Membership in National Collegiate Players is based upon a certain number of points earned in Crimson Masque and upon fitness to uphold the ideals of the organization. Monmouth's chapter completed its fourth successful season with the production of a three-act drama, "Icebound," by Owen Davis. During the year it also sponsored a play writing contest that stimulated interest in dramatics.

"The Dover Road"

By A. A. MILNE

Presented by Crimson Masque, December 9, 1932

Skillful direction gave that comedy of runaway couples the deft touch necessary to set off its subtle humor. All roles, from the suave Latimer to the supercilious Dominic were well handled and the conversation, with its English accent, was an interesting novelty.

"Icebound"

By OWEN DAVIS

Presented by National Collegiate Players, March 24, 1933

The play, a study of personality rather than a drama of action, was an outstanding success because of the splendid characterization given by each member of the cast. An exceptionally realistic setting helped to create New England atmosphere.

Programs of One-Act Plays

NOVEMBER 12, 1932

"THREE CANS OF BEANS"

George Borthwick, Director

The play, a thrilling story of adventure, was well suited to a cast made up entirely of men. The atmosphere was realistic and the action fast.

"A WOMAN OF CHARACTER"

Minna Fricke, Director

In contrast to the preceding play, the cast for "A Woman of Character" was composed entirely of women. Maxine Turnbull showed her fellow club members how a hat reflects personality.

"JAZZ AND MINUET"

Margaret Scott, Director

Clever costuming and good characterizations combined to make vivid the story of the modern girl who, through reliving the events of a diary, learned a lesson in love.

FEBRUARY 24, 1933

"A SMALL DOWN PAYMENT"

Robert Dickey, Director

The experiences of a young couple who became victims of the installment plan were amusingly portrayed by a cast which brought out good comedy effects in diverse roles.

"WHAT NEVER DIES"

Louise Thornhill, Director

The human interest in a story of mother love and scrub-women's secret ambitions together with excellent character work produced one of the most appealing plays of the season.

"THE LOST ELEVATOR"

Virginia Faris, Director

Because of its unusual setting, clever lighting effects and surprising situations, this play might be considered the most novel production of the year.

Province Convention

From April 3 to April 5, 1933, Monmouth College was host to representatives of schools in the Illinois-Wisconsin Province of Pi Kappa Delta. At the banquet on the last evening more than one hundred and thirty people were present.

Four teams from Monmouth entered the tournament. The two women's teams were composed of Elizabeth Funk, Ruth Bohman and Nathalie Lytle for the affirmative and Cleo Stephens, Jane Hoyman and Claramae Miller for the negative. They won their contests against Ripon, North Central and Normal, and lost to Wheaton, Carroll and another team from Normal. The men's teams were composed of Thomas Robinson, David Stevenson and William Baird for the affirmative, and George Borthwick and Wilbur Lester for the negative. The men won four of their six contests.

In the extempore speaking lists of the convention, two Freshmen, Wilbur Lester and Eva Reid, carried off high honors. Mr. Lester tied for first place in his division, while Miss Reid placed second in hers.

Oratory

At the contest of Illinois State Oratorical Association this year, Monmouth College was represented by Virginia Faris and George Borthwick. Miss Faris placed fourth in the women's contest with her oration, "Rebuild the House," and Mr. Borthwick placed second in the men's contest with his oration, "New Frontiers." Mr. Borthwick also represented the college again in the oratorical contest of the Pi Kappa Delta Convention.

Forensics

The instructor and coach in the forensics division of our campus work is Professor S. R. Toussaint. Since Mr. Toussaint came to Monmouth he has represented the Illinois Zeta chapter of Pi Kappa Delta as governor of the province of Illinois and Wisconsin, and he is now second national vice president of the fraternity. This year, under his direction, Monmouth entertained the Illinois-Wisconsin province, and next year, Mr. Toussaint will be directing the national convention at Lexington, Kentucky.

Under Mr. Toussaint's coaching the Monmouth College women debaters won the national Tournament at Tiffin, Ohio in 1928, and first place in the Illinois State League in 1931. At the province convention in 1929 both men and women stood first, and the women maintained their record in 1931.

Monmouth College students who have known Mr. Toussaint as a coach in any forensic work base their loyalty to him much more on the fine spirit of comradeship and trust which he has offered to them than on any success which he and his teams have achieved, and in "Toots" they have found one of their finest friends and leaders.

Women's Debate

Seven women participated in intercollegiate debating this year, discussing the question, "Resolved, that this house should support the League for Independent Political Action in its move to organize a new political party."

Cleo Stephens led the negative team with Jane Hoyman and Claramae Miller to help her. Elizabeth Funk led the affirmative team with Ruth Bohman, Nathalie Lytle and Eva Reid to follow her.

The women held non-decision debates with Cornell, Ripon, Carroll, North Central, Lawrence and Augustana Colleges. One very interesting trip into Wisconsin almost met disaster when the Monmouth banks closed their doors on March 4, but two weeks later, the girls set forth for a session of five debates. In the Illinois State League, the women lost all four of their debates against Augustana, Wheaton, Normal and DeKalb.

Ruth Bohman and Elizabeth Funk, the two seniors of the squad, will be missed greatly next year, and it is to be hoped that very many more women will enter the lists next fall.

W. Lester, D. Stevenson, G. Borthwick, S. Kyle, Prof. Toussaint, W. Baird, T. Robinson, C. Patterson

Men's Debate

The men's season in debate was more successful this year than last. In the state league contests they won three of their six decision debates on the question, "Resolved, that all banking functions should be regulated by the federal government with deposits guaranteed." They won in their encounters with Augustana, St. Viator's and Illinois Wesleyan colleges and lost to Illinois and Wheaton colleges and Normal University.

The men engaged in a number of non-decision debates, meeting the debaters of Shurtleff, LeMoyne, Lake Forest, Illinois Wesleyan, Augustana, North Central, Carthage and Macomb. An interesting contest was the one with Carthage which was broadcast from Station WCAZ.

Tom Robinson and George Borthwick led the teams. On the affirmative Mr. Robinson was supported by David Stevenson, William Baird and Stanley Kyle and on the negative Mr. Borthwick was supported by Wilbur Lester and Clarence Patterson.

Artists' Course Concerts

Unusual interest was manifest in the Artists' Course this year because of the outstanding performers secured. The first concert was given by Arthur Kraft, tenor, of New York. His rich voice and careful interpretation easily won the admiration of the large audience.

Perhaps the highlight of the season was the piano recital of Percy Grainger, world-famous pianist-composer. Mr. Grainger in his own informal style presented a varied and highly appreciated program to a capacity crowd.

Another outstanding concert of the season was the Two-Piano Recital presented by Edna Browning Riggs and Grace Gawthrop Peterson, assisted by Earle Davis, pianist, and Thomas Hoffman Hamilton, baritone. This was the most artistic and finished program given by faculty members for many years, and was well received by the large audience.

Playing to a capacity crowd, Earle Davis scored an immediate success in his unusual "Classical Jazz" recital. This program of modern classics was ably interpreted by Mr. Davis. Unusual modern decorations added an interesting touch of color.

The Messiah

In keeping with the Christmas spirit, Handel's "Messiah", under the capable direction of Professor Hamilton was presented by the Monmouth Music Club. The chorus of one hundred voices and the fine soloists, assisted by a fourteen piece orchestra, gave an enjoyable presentation of this great oratorio.

Although handicapped by finances so that a concert trip was impossible, the Girls Glee Club under the inspiring direction of Mrs. Peterson has nevertheless worked hard throughout the whole year. They assisted the Men's Glee Club greatly in the Washington's Birthday Minstrel Show.

The club, however, has given several appearances around Monmouth. They gave delightful concerts in Burlington and over Radio Station WOC in Davenport and also their usual good home concert.

Men's Glee Club

The Men's Glee Club has had a very successful season this year under the able direction of Glenn Shaver. They are working hard at present to defend their State title. The Central Illinois Association contest this year is to be held at Bradley Polytechnic Institute and competition promises to be stronger than last year.

During Spring Vacation the club made a trip into central Iowa, giving sixteen performances at High Schools and churches. The home concert will close the activities for the year.

ATHLETICS

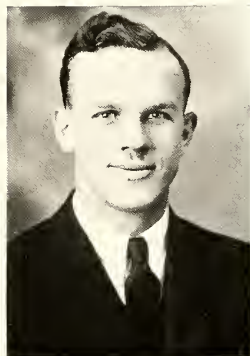

COACH HART

Coach Herbert L. Hart, Director of Athletics, has proved himself to be more than a coach, an executive and organizer as well. Mr. Hart competed in sports at Purdue. He came to Monmouth in 1924. Not only has he developed good teams, but he has placed our athletics on a par with the best small colleges in the country.

COACH TAYLOR

Coach Warren Taylor came to Monmouth three years ago as football coach. Taylor played four years on Monmouth College teams, and was the sending end of the Taylor to Molesworth passing combination. Since his return to Monmouth College Athletics he has shown himself to be a producer, as well as a member of championship teams.

COACH SMILEY

Coach Robert Smiley has been basketball and baseball coach for the past four years, and is responsible for our successful teams during that time. "Bod" is a former Monmouth College basketball star, and at one time was voted the most valuable player in the Little 19 Conference. His work as a coach has been equally outstanding.

Football Summary

The 1932 football team defeated Knox 20 to 0 on Thanksgiving Day to end the season with four victories, three defeats and two ties and a share in Midwest Conference honors. The victories were over Carthage, Cornell, Burlington Junior College and Knox. Defeats were at the hands of Chicago, Illinois College and Bradley. Coe and Monmouth battled to a six to six tie and at Augustana homecoming Monmouth held the Vikings to a scoreless tie despite the fact that Augustana claimed the "best team in history."

The Fighting Scots opened the football season September 24 with a game against the University of Chicago at Stagg Field. It was during the opening minutes of the game that Monmouth looked best, when they made three consecutive first downs against the Maroons, after getting the ball on their 32 yard line, the advance being halted only on Chicago's nine yard line. After the opening attack Monmouth was mainly on the defensive and the Maroons ran up a score of 41-0.

On October 1, Monmouth won its first home game from Burlington Junior College. The score was 21-0. The Scots romped over two touchdowns in the first five minutes of play, and the rest of the game was subject to extensive substitutions and investigation of backfield combinations by Coaches Hart and Taylor.

The next Saturday Monmouth played a strong Coe team to a 6-6 tie at Cedar Rapids. Monmouth's touchdown resulted from a freak play which nearly set a record for the number of men contacting a football from the moment it left the center's hands until a touchdown had been scored. Some say six men touched the ball, others say only five. The play consisted of a bad pass from center, a completed forward pass, a brief run, a lateral pass, an intercepted pass and a touchdown. At any rate Pressly finally got his big hands on the ball and stepped across for a touchdown.

The Scots' first Little 19 encounter was with Illinois College the following week. After Monmouth had twice carried the ball to within five yards of the Blueboys' goal, only to fail when the final opportunity to score presented itself, a completed forward pass gave Illinois a touchdown and a victory of 7-0.

Breaks helped Monmouth defeat Cornell here in a Midwest conference game at Homecoming. Statistics of the game show that the teams were evenly matched. Cornell opened a desperate passing attack in the last quarter that threatened to tie the score but the Scots were able to bat down the passes within scoring range. The score was 13-6.

The following week the Scots battled the undefeated Augustana eleven to a scoreless tie before a large crowd of Augie Homecomers. The game finally developed into a kicking duel between Bell and Marack. Monmouth's much lighter team broke up the reverses and passes usually behind the Augie line and Monmouth was unable to get past their opponents' secondary.

In the Carthage game Monmouth showed great offensive strength, scoring five touchdowns. With Speer back in shape to furnish the hard-hitting element to the fast but light backfield, the Scotch looked much like the last year's team of Little Nineteen Champions. The score was 33-13.

Monmouth lost to Bradley at Peoria as a result of a bad first half in which the team never got going offensively and played ragged defensive ball. In the second half Monmouth came back strong but not quite strong enough to overcome the twenty point lead. The score was 20-14.

Thanksgiving Day furnished perfect weather for the 48th football game between Monmouth and Knox and a crowd slightly smaller than usual, but no less enthusiastic, was on hand to see the battle. For three quarters Monmouth was unable to score although her team held the upper hand without question. In the fourth quarter Monmouth scored three touchdowns and kicked goal twice. Fans who saw the game probably got their biggest thrill when little 127 pound Bobby Woll ran back a Knox punt 65 yards to the five yard line from which the second touchdown was scored a moment later. Four Monmouth men played their final college football game: B. Speer, Wm. Bell, A. Grauer, and John Weatherly.

Monmouth's two wins and tie in the Midwest Conference gave them a tie with Carleton for first honors in the Midwest loop.

The following men received awards:

Albert Grauer	Joe Mazaika
Randall Gray	Robert McConnell
Wendell York	Forrest Boothby
Edwin Brown	Orland Hamilton
Clyde McDaniels	William Bell
Marion Harper	Stanley McDonald
Jack Nuding	Richard Grills
Harold Akers	Arthur Bouxsein

Freshmen Football

While the varsity team is always followed with keenest interest, football fans do not forget the Freshman squad which gets little publicity but plays an important part in helping the varsity to get into condition.

Most of the season was spent in scrimmage, but conference rules allow two games. This year the freshman squad took the measure of Knox freshies 24 to 0, but fell before a big Illinois Military School team 25 to 0.

Numerals were awarded the following: R. Newbury, T. Whalen, C. Chambers, L. Mantle, A. Spotti, H. Orr, P. Barnes, L. Carson, L. Pogue, H. Walter, B. Feldhaus, H. Davis, W. Pittard, R. McWilliams, C. Basketball

Basketball was truly a major sport at Monmouth this year, and under the direction of Coach Smiley the Scots completed a difficult schedule in great style. For the first time in history, a basketball team representing Monmouth College has gone through the season without the loss of a home game. We hope this will become a tradition that will be continued. As far as the games played away from home are concerned, the season was not so successful. The Scot cagers played ten contests on foreign courts, and were victorious in only four of them. Monmouth played a total of 18 games, with 12 wins and 6 losses. In the matter of ranking, the Scots placed second in the Midwest Conference, and finished with a percentage of .500 in the Little Nineteen Conference.

The season was opened on the home court with a practice game against the Burlington Y. M. C. A. This was a typical opening game, a bit wild and marked by heavy scoring. Monmouth emerged victorious with a score of 40 to 33.

The next game was also at home, and the Scots functioned smoothly to tromp Ripon to the tune of 38 to 17. The first game away from home was played against Iowa University at Iowa City. Although bothered by "stage-fright" and other symptoms of nervousness during the first half, the Fighting Scots lived up to their name in the last half, outscoring the Hawkeyes, and nearly upsetting the much abused "dope-bucket." The Big Ten team, which won third place in the Western Conference this season, eked out a narrow 28 to 22 win. The next two games were with Iowa Wesleyan, and Monmouth won both.

On January 13 the Scots trekked up into the Northland and were handed a 32 to 27 defeat by the ever victorious Carleton team, perennial champions of the Midwest Conference. Following this disaster was the beating at the hands of Augustana, 49 to 29. This was the first time Augie has beaten a Monmouth basketball team in five years, but the Scots took ample vengeance when they met the Swedes on their home floor a few weeks later.

Any paper superiority Knox cagers might have held over the Scots failed to materialize when the two met at the Galesburg armory. Monmouth overcame a six point lead held by the Siwash at the half to win the game by two points, 26 to 24.

The inability of Coe to guard Ozburn in the next home game was costly for them. Monmouth achieved a decisive victory over the strong Kohawk team which had just won six straight games. The score was 27 to 19. The next two games were with Beloit and Bradley. The Scots won over Beloit, 29 to 21, but suffered defeat at the hands of Bradley Indians.

Monmouth began the annual invasion of Wisconsin in an inauspicious manner, when Carroll's powerful machine functioned perfectly to flatten a stubborn Scot defense 36 to 22. The game at Appleton, the following evening, proved to be more satisfactory, as the locals rallied to trip Lawrence, 31 to 28, in a Midwest conference game. In the third night of the trip, a weary Scotch five proved to be no match for the versatile Loyola cagers, and lost to the Chicago boys, 35 to 17.

In the next home game the Scotch five played seemingly inspired ball, and defeated the powerful Angie team, 41 to 20. This game was the sweet vengeance for the trouncing received on the Augustana home floor the first time the two met this season.

In the last home game of the season, the Scotch five again showed a marked superiority over the Knox cagers, and closed the season on the home court with a win of 41 to 25. The last game was an unimpressive affair at Mt. Vernon. Monmouth defeated the Cornell five 26 to 22, to place second in the Midwest Conference.

Jack Ozburn, lanky junior center, was a feature attraction in every game this year. He was high scorer for the season. His work in getting the ball at the tip-off was consistent, and his play under the basket was uncanny and beautiful to behold. Jack was given center position on the first team in the A. P. Allstar Little 19 Selections.

"Red" McLoskey played his fourth and last year on Monmouth College basketball teams. Leo played a steady, dependable game of ball and was always a scrapper. "Red" was always one of the first in position to shoot a basket. The other forward position was held down by little "Bobby" Woll. Woll's speed and cleverness more than made up for his lack of height, and his eye for the basket was dangerous.

McDaniels, a junior, and Nuding, a sophomore played the guard positions. Both of these men were able floor workers and good judges of the opponents' strength. McDaniels had a way of sinking baskets that required a lot of consideration by opposing forwards, and Nudings work on defense was an equally difficult problem.

Akers, Fitchie, and Countryman, all played guard and all saw considerable service on the hardwood court. They made it tough for opponents on a number of occasions. "Cactus" McConnell, a lanky individual, was valuable for his work at the center of the floor. Joe Meyer, a veteran forward, and Irwin, a sophomore, were often called upon to carry on the attack.

All of the above men, with the exception of McLoskey will be available for next year's squad. With such eligible material to draw from Monmouth fans may rest assured that the next basketball season will be as successful as the last.

Awards were given to McDaniels, Nuding, Ozburn, Woll, and McLoskey.

Freshmen Basketball

Although many promising basketceers for next year's varsity squad were developed among the freshmen, they seemed unable to adapt themselves to college basketball in time to make a successful showing against their opponents. The team was handicapped to a great extent by ineligibility of several of their most promising players, and the showing might have been different had these men been able to play.

The Freshmen played four games this year, two against the Knox freshmen, one against Burlington Junior College, and one against the Roosevelt Military School at Aledo, but were unable to chalk up a single victory.

Five Freshmen received numerals: Newbury, Tangman, Barron, McConachie, and Walters.

Athletic Board of Control

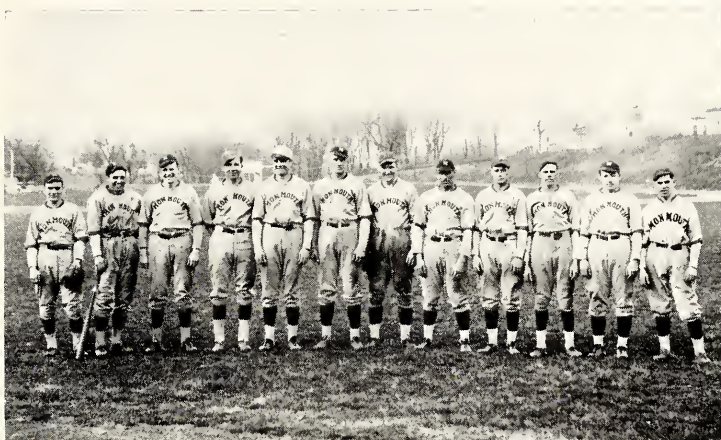

The Athletic Board of Control directs the general policies of the Monmouth College Athletic Association. It approves the intercollegiate schedules, makes the awards for varsity and freshman competition, and oversees the financial transactions of the athletic department.

The board is composed of Coach Hart, S. R. Toussaint, Dr. Graham, Dr. Sherrick, Max Turnbull, Dr. McMichael, Clyde McDaniels, Carroll Van Gundy, and E. A. McMillan.

The "M" Club

The "M" Club embodies in itself a spirit of those principles which are highest in the promotion of general well being on Monmouth's campus.

In order to achieve membership in this organization, one must earn the award of an "M" in any major sport and also live up to the ideals of the club. The ideals are, good sportsmanship, ideal living, clean speech, high scholarship, and fidelity to the traditions of Old M. C.

1932 BASEBALL SQUAD

Baseball

Monmouth College has had a record for many years of turning out good baseball teams, and the 1933 team promises to be no exception to the rule. Veterans responding to Coach Smiley's call for baseball candidates are Woll, McDaniels, Bell, Myers, Speer, Heil, and Bencini. Among the new men are York, Fitchie, Tinker, Acheson, Robb, Akers, and Countryman. With these men Coach Smiley has developed a team which has started the season in great style.

The pitching staff consists of York and Fitchie. York is a southpaw and Fitchie a right-handed hurler, both have pitched some nice games. Tinker is behind the bat as catcher, Woll is holding down the shortstop position, Myers is at first, Bencini and Akers at second, and Bell and Countryman on third. Heil, McDaniels, Speer, Robb, Acheson and York fill in the other positions.

The first three games were with the Macomb Teachers, and Monmouth succeeded in winning all three, and there seems to be no reason why the rest of the schedule cannot be completed in the same fashion.

1932 TRACK SQUAD

Track

The 1933 Track season opened for Monmouth College with the Little 19 Indoor Track and Field Meet at North Central. Monmouth finished fifth in the final tabulation with 8 points. The meet was won by North Central.

Weatherly got off to one of the best starts in his career as a college contestant, and led the entire field in the 60 yard dash, but faltered at the forty yard mark and finished fourth. Matchett and Grills finished third and fourth respectively in the 880 yard run, Hutton of Illinois Normal setting a new record of 2.03. The Relay Team met with a piece of hard luck when Laxson slipped and fell on one of the turns, and failed to place.

The team faces one of the hardest schedules Monmouth has had to run for years, but in spite of the tough schedule and the slow beginning, with plenty of warm spring weather to develop the field men the chances are favorable for another championship team on the outdoor track.

Swimming

Monmouth College was host to swimmers in two meets this year. The first was a triangular meet, held here March 10, and the second was the Annual Little Nineteen Meet. As a result, more interest was shown in swimming at Monmouth than previously.

Augustana, Knox, and Monmouth were the schools competing in the Triangular meet. Knox placed first, Monmouth was second, and Augustana third. Myers won the 100 yard back-stroke and placed second in the diving. Monmouth also placed second in both of the relay events.

Illinois Wesleyan and Knox battled for first place in the Little 19 meet held two weeks later. Illinois Wesleyan won the last event, the medley relay, and consequently the meet. Knox placed second, Bradley third and Monmouth fourth. Myers won a second in the backstroke in this meet, and the medley relay team also succeeded in getting a second place. All of this year's team, with the exception of Kyle, will be available for competition next year, and with the addition of several outstanding freshmen should be able to give a good account of themselves in next year's matches.

Intramural Athletics

Intramural Athletics have been built up by Athletic Director Hart until this department has become of major interest among the various organizations on the campus. The program at present is very complete, and is so arranged that any boy in college may participate. Almost every sport represented is included, and a trophy becomes the temporary possession of the organization winning in each sport. The following sports are included: touch football, volleyball, basketball, indoor and outdoor track, swimming, baseball, and tennis. A permanent trophy is given to the organization ranking highest for the entire year. Last year this trophy was won by the Tekes.

The function of the department may be summed up to be: To encourage the entire male student body to participate in organized athletics, and to instill in the various students those characteristics of fair play, sportsmanship and manhood that make real students as well as real men.

The Intramural competition began with touch football. This is the second year touch football has been included in the program, and the race for first honors was close. The Beta Kappas tied the Tekes in the number of wins and losses, but due to the point system, in which extra credit is given for the number of men competing and men on the football squad, the Beta Kappas won first place. The Tekes were second and the Tiny Tots third.

The next branch of intramural activity was volley ball. The Tekes won this trophy, with 17 games won and 3 lost. The Beta Kappas were second with 13 wins, 7 losses, and the T. U. O.'s were third.

The Tiny Tots won the basketball championship. They developed an exceptionally strong team this year, with a number of freshman players. These men should make a strong bid for the varsity next year. The Phi Kapps were second, and T. U. O.'s and Tekes tied for third.

Two swimming meets were held, and proved to be the fastest intramural swimming for several years. Nearly all of the old records were broken, and promising material for the varsity was discovered. The Tekes won first place, the Beta Kappas were second, and the T. U. O.'s were third.

The Beta Kappas were leading as the first half of the indoor track meet was staged, with the Tiny Tots a good second, and the Tekes third. Matchett established the only new record in the meet so far, running the half mile in 2:9.9. The outdoor track meet will be held later in the spring.

As the "Ravelings" goes to press, we find that the Beta Kappas have stepped slightly into the lead in baseball, defeating the Tekes 6 to 5 in the first game of the season. The tennis matches are yet to be played.

Below is a chart showing the intramural standing to date:

	<i>BK.</i>	<i>TKE.</i>	<i>TUO.</i>	<i>Phi Kap.</i>	<i>Tots</i>	<i>Com.</i>
Touch Football	101	95	80	59	90	49
Volley Ball	60	90	58	45	36	35
Basketball	81	79	75	82	111	24
Swimming	45	112	22	2	11	0
Track	58	48	25	11	54	3

The organization scoring the highest total number of points in all events will win the permanent trophy at the end of the year.

Women must have a "C" average and 25 points gained in athletic participation before being allowed membership in W. A. A. The membership this year was the largest it has ever been since 1928, the year of the establishment of W. A. A. on the Monmouth College campus. This increase in membership was due to the combined efforts of Miss Virginia McEwen and the W. A. A. Officers.

HOCKEY

Interest in hockey has greatly increased during the past two years. The Freshmen and Sophomores especially were faithful in attending practices held in the hockey field just back of the tennis courts. This year the Freshmen won the tournament much to the chagrin of the Sophomores who defeated the Junior-Senior team and were hoping for the championship.

Hockey brings many lame ankles, knees and fingers, but it develops fine sportsmanship and is a grand game greatly enjoyed by the stick-holders.

BASKETBALL

Usually there are two tournaments in basketball but this year only one was played. The Sophomores were victorious.

Basketball is played twice a week in the "cracker box" and once a week in the gym. The tournament games are played in the gym and create much excitement among the women athletes.

Team work is most efficiently developed in the game of basketball. The team work of the Sophomores was especially good this year.

SWIMMING

Betty McClenahan, Dorothy Wright, Dorothy Field, Virginia Goodwin, Jane Hoyman, Mildred Jackson and Frances Mills passed the Red Cross Life Saving examination this year.

Miss Virginia McEwen and Miss Caroline Wright, assistant, are the instructors in this sport. An intramural swimming meet is always held at the last of the school year. Events are: 40 yard crawl, 40 yard racing back stroke, 40 yard breast stroke, plunge for distance, stunts, diving, relays, etc.

ARCHERY

The newest sport to be introduced to the women of the college is archery. It is receiving a growing amount of interest. Two bows and two sets of arrows are in possession of the W. A. A. and may be used for target practice.

TENNIS

Tennis has always been a favorite sport among the women of the college. Tournaments are held each year within the bounds of the college as no intercollegiate games are allowed. An important part in the program for play day is the sport tennis.

HIKING AND HORSE-BACK RIDING

Both of these sports have special adherents. Hiking has become quite a popular sport among the freshmen.

Then of course, there's soccer and volley ball.

AWARDS

Awards given are based on the number of points gained in athletic participation. Five points are given for each hour spent in practice and when 1,200 points have been earned the letter "M" is awarded. When 1,500 points have been gained a sweater in addition to the "M" is given to the winner.

Women winning sweaters were: Mary Finney, Lillian Gibson, Virginia Quade, and Ruth Chaffee. Margaret Scott was awarded an "M".

The newest members of the W. A. A. not in the picture are: E. Ryan, E. Smith, M. Jackson, I. M. Brown, P. Brown, R. McBride, V. Krasity, M. Fidler and M. E. Kilpatrick.

Play Day

Play Day of 1932 was the most outstanding event of the year for the W. A. A. members. Monmouth was the hostess to the six other schools participating. Each school was represented by 12 women and a full day was given over to the enjoyment of sports followed by a banquet in McMichael dormitory.

Play Day this year is to be held at Bradley and Monmouth will be represented there by six women.

FEATURES

Pole Scrap

At the sound of the college whistle at 8:45 September 28, there was a great deal of disturbance on the campus. By the end of the hour period allowed them, the Sophomores were established around the pole and the Freshmen were impatiently waiting for the chance to rush the pole.

After a brief struggle, the Frosh managed to supplant the Sophs with their own men around the pole where they remained during most of the scrap. Although they had the pole largely to themselves during the contest, they found great difficulty in mounting because of its height and smoothness. Thorpe Earp of Monmouth finally accomplished the great feat of reaching the top and placing the Frosh colors on top of the pole, letting the Soph colors flutter to the ground. Earp is the first Freshman to plant his colors on the pole since 1928.

The scrap seemed rather tame to most of the previous spectacles, but was rather exciting, due to the great number of attempts made by various Freshmen to reach the top.

Homecoming

Homecoming was a success from the Homecoming Chapel held on Friday morning to the Homecoming Vespers on Sabbath afternoon, which closed the 1932 event.

An open house was held at Wallace Hall the Friday evening preceding Homecoming, in order to afford early arrivals an opportunity to meet old friends and new students.

October 22 dawned with the promise of rain, much to the consternation of many who had spent a great deal of time in attractively decorating homes and floats. However, the events of the morning were run off very smoothly. First came the parade, which was both picturesque and amusing, followed by a hockey game presented by the girls, and a touch football game between the Tekes and the Beta Kappas, which was halted at the half by rain.

The homecoming spirit was intensified by a gratifying victory over Cornell, and was brought to a climax after several sorority and fraternity dinners by the presentation of the Junior Class Play, "Skinner's Dress Suit," in the auditorium Saturday evening.

Ten Talking Points!

FOR USE BY MONMOUTH STUDENTS

When Talking Monmouth to Their Friends

1. **EDUCATIONAL STANDING**—Only one-fourth of the colleges and universities of America are on the approved list of the Association of American Universities. Monmouth's name is on this list and also on the list of every other important educational association.
2. **EQUIPMENT AND ENDOWMENT**—Monmouth has twelve well equipped buildings on an attractive thirty-acre campus. Monmouth's gymnasium and athletic field provide an equipment for sports unexcelled in the Mid-West. Her endowment of two million dollars is much more than that of most colleges of her size and type.
3. **CHRISTIAN ATMOSPHERE**—The aim of the faculty and students of Monmouth is to maintain an atmosphere which is friendly, democratic, inspiring, and favorable to the development of Christian ideals.
4. **ACHIEVEMENT OF GRADUATES**—Monmouth graduates are in leading positions in business, education, government, journalism, law, medicine, ministry, social service, and many other fields.
5. **COSMOPOLITAN QUALITY**—Monmouth is not like a local college. She is free from the provincialism which is likely to develop in an institution in which nearly all of the students come from the vicinity of the college. Last year, students came to Monmouth from twenty-four States.
6. **ACCESSIBILITY**—Monmouth's location on the main line of the C. B. & Q., the M. & St. L. and a north and south division of the C. B. & Q., makes access by rail convenient. Also, Monmouth is on four important State and National highways.
7. **LOW COST**—Not many colleges of Monmouth's equipment and educational standing have kept their charges for tuition and fees to a figure so low as Monmouth's.
8. **A SMALL AND PERSONAL COLLEGE**—At Monmouth a student is encouraged to do his best because his work and achievements are known to the whole college community. The student retains his individuality, he is not lost in the crowd.
9. **SUPERIOR TEACHING FORCE**—There is an unusual stability to the Monmouth faculty and long tenure of office is the rule. Monmouth teachers are well trained. About half of the heads of departments have the Ph. D. degree and others have the equivalent in training and experience. As an evidence of the breadth of culture of the Monmouth faculty, it may be remarked that one-third of the Monmouth teachers have studied or have taught European universities, and several have had extensive foreign travel.
10. **BROAD PROGRAM OF EXTRA CURRICULAR ACTIVITIES**—Monmouth's good record in athletics is well known to high school students. She is equally successful in forensics, dramatics, music, journalism, and other fields. Last year the Monmouth football team won the "Little Nineteen" and the "Mid-West" championships, a Monmouth girl represented the State in the woman's division of the Inter-State Oratorical Contest, and the Monmouth men's glee club represented Illinois in the National Contest of College and University Glee Clubs.

Exams. and morning bell
And one close call for me.
And may the Prof. his hardest questions keep
For I am all at sea.

At such a time my mind it seems asleep—
Too dull to think or write
When that which seemed so easy once
Has taken sudden flight.

Exams. and closing bell,
And after that how sad
And may there be no questions asked
When I see my dad.

For though from out this jumbled tense and case
I tried to make my way:
I know I'll meet my finish face to face,
When Prof. has had his say.
